## Cubmaster's Message

By Mike Jozefowicz

Camp, camp, camp, camp, camp! For me this has always been the best part of Scouting. My fondest memories and closest friends were all made during campouts. The experiences of being outside and learning about nature, cooking, fires, and camping have stayed with me all of my life. I learned to test my limits in rock climbing and how to help a friend in backpacking. I was a natural at starting fires but had to work very hard to tie knots. I fondly remember the friendships that I made with my fellow Scouts as we explored the wilderness by day and shared songs and stories by the campfire at night. I recall the guidance of older Scouts to teach me how to set up a tent correctly. I also remember the patience needed to teach the same skills to Scouts younger than me. By the campfire I grew up as a Scout, although I never knew it until much later in life.

I feel that my experiences are not uncommon. I am sure that every leader can reflect upon their past camping trips of youth and remember similar stories. Those memories and values learned are the fabric of our Scouting spirit; and that spirit carries itself within us to be passed onto our boys. I thank you leaders and parents for dedicating your time and talents to allow our Cub Scouts this opportunity for camping and fun.

Hopefully, everyone is enjoying this weekend of camping, friendship and Scouting. The values learned here this weekend, will be something that our boys can carry with them for the rest of their lives. The magic of camping and the Scouting program is that our Cub Scouts do not even realize that they are being taught life's lessons. They only know that they are having fun.

Pack 736 has always been committed to excellence in Scouting. With your help, I'm sure that it always will.

Yours In Scouting,  
Michael Jozefowicz  
Cubmaster

## PIZZA! PIZZA!

Have you heard? Pack 736 is doing a spring fund-raiser with Papa John's Pizza. Papa John's is prepared to give us a 60% return on every \$10.00 pizza card that we can sell. That's incredible! We have 100 cards and have sold 18 cards to date. Angie Jozefowicz, Pack Treasurer, will be selling the pizza cards at each den meeting and pack meeting from now until the end of the school year.

## Wells Fargo - the Sharing Advantage<sup>®</sup> Program

Thinking about buying a home or refinancing your home? WELLS FARGO has an awesome program that supports faith-based or non-profit organizations. When you close a loan or refinance a loan with them, Wells Fargo Home Mortgage will make a \$300 contribution to the faith-based or non-profit organization of your choice. See Mike Jozefowicz for more details.
