## Cubmaster's Message

By Mike Jozefowicz

It was with great honor and much sadness that I attended the funeral of fellow Scout leader Brad Smith. Many of the older Webelo and Bear Scouts will remember Brad. He served as the Pack 736 Committee Chairman from 2001 to 2004. He was a kind and gentle man. He gave so much to the Scouting organization. He served Quivira Council and Troop 736 besides working for our Pack. Brad was proud of Pack 736 and passed that pride into the current leaders that work for the Pack today. He will always remain true in my heart, for he is the example of what a Scout Leader should be.

I first met Brad on a Fall Family Campout in 2002. He was handling the task of leading the new Tiger Scouts on a hike through Camp Tawakoni. Brad was pointing out things of interest as we hiked along that hot September afternoon. The next thing we knew everyone was running and swatting in the air. I remember Dave Owings distinctly shouting, "run for your lives, killer bees!" Despite the confusion and pain, several of us got stung, Brad calmly led us back to the campsite and made sure that each Scout was OK. I know that Brad felt badly about the situation.

Brad, I know that you continue to watch over your Pack and Troop and I want you to know something, you did your best! The Scouting trail can be difficult and unmarked obstacles may get in the way. The lessons learned along the way are that which give us strength and character. All of the Scouts you led on the hike that day are still with us and we are still with you. Thank you Brad Smith for being a Scout leader in Pack 736. Thank you for the commitment you made to our Scouts. May we always strive to learn from your example. You will be missed but never forgotten. Pack 736 will always stand for pride and excellence in Scouting.

Yours In Scouting,  
Mike Jozefowicz  
Cubmaster

## Let's All Get Trained

One of the reasons that Pack 736 does so well is the commitment to training that our leaders share. All Dens should have two-deep leadership, qualified through the Boy Scouts of America training program. Likewise all committee members should have similar training and leadership. The White Buffalo District performs training courses at each Roundtable meeting. Pack 736 will also hold a training seminar to meet the requirements for new leaders. The requirements are:

Fast Start	available on-line
Youth Protection	available on-line
New Leader Essentials	class only
Cub Leader Specific	class only

New leaders that need training should see Mr. J, Brad Blum, or Jeff Sisco.

## THANK YOU!!!

Thanks to all the volunteers who helped with Pack 736's School Night for Scouting. We, once again, had an excellent recruiting night at both Bryant Elementary and Maize Elementary. A BIG "THANK YOU" goes to Rochelle S. and Evelyn T. who baked cookies for the scout activities.

## Maize Fall Festival Parade

Pack 736 will have an entry in the Maize Fall Festival Parade. The parade is Saturday, October 15, 2005 in Maize. Tom M. and Mike P. have volunteered to get Pack 736 organized for the parade. Please let them know if you plan on attending and helping out.

---

## University of Scouting

The University of Scouting is scheduled for November 12, 2005 at Bethel College in Newton. This is an excellent opportunity to take several unique classes that are only offered at this event. If interested see Brad B., Mike J, or Jeff S.

---

## Scouting for Food

Scouting for Food is a district-wide community service project to help fill the shelves at local food banks. Pack 736 will help distribute bags and fliers on Thursday, October 6, 2005 at 6:00 PM. We will meet in the Church parking lot. We will then meet again on Saturday morning, October 8, 2005 at 10:00 AM to canvas the neighborhood to pick up any food left out for pick-up.

## Eskimo Run Patch Design

The Eskimo Run is scheduled for Saturday, February 4<sup>th</sup>, 2006. You could be the one to design the patch for the event. Download the entry form, which contains further instructions, from the Pack 736 web site at: <http://www.scouts736.org>. When completed, give it to your Den Leader, or Mike J.
