## Cubmaster's Minute

By Mike Jozefowicz

The end of our Scouting year is rapidly upon us. I hope that everyone has enjoyed themselves this year. I know that I have. We got to celebrate our own Scout Olympics at Blue and Gold. We had two awesome family campouts. We sold lots of popcorn for our Pack and collected lots of food for those who need it. We built and raced cars at the Pinewood Derby. We had serious moments like our Crossover Ceremony and Scout Sunday. We also had funny moments like when Junior Birdman visited us or anytime Brad, Jeff, or Jeremy touched the microphone. Our Tigers searched, discovered and shared. Our Webelos became the new leaders of our tribe. We trained all of our leadership and attended the University of Cub Scouting. Many new Cub

Scouts joined our Pack and have added to our rich tradition. All of the Cub Scouts worked hard and did their best earning many awards. Pack 736 had a productive year. Thank you leaders for the time you spent cultivating our young Scouts. Thank you parents for your participation and cooperation. And most of all thank you Cub Scouts. You made my year fun!

Pack 736 has always been committed to excellence in Scouting. With your help, I'm sure it always will.

Yours In Scouting  
Michael Jozefowicz
